Organized by

Altawkilat Motorsport (ATM)

Conducted in accordance with the applicable regulations of the Saudi Automobile & Motorcycle Federation (SAMF).

1 Overview

The **Motor Mania Track Challenge** is an official Saudi Time Attack organized under the umbrella of **Altawkilat Motorsport (ATM)** and conducted in accordance with the applicable regulations of the **Saudi Automobile & Motorcycle Federation (SAMF)**.

The Track Challenge provides a professional, safe, and competitive environment for drivers of production based performance vehicles to compete against the clock across multiple vehicle categories. Results are determined by each competitor's fastest official lap time.

These Sporting Regulations establish the rules governing the track challenge, including competitor eligibility, vehicle classification, sporting procedures, technical requirements, safety standards, and event operations. By participating in the track challenge, all competitors, teams, and officials agree to comply with these regulations and any supplementary regulations or official bulletins issued by the Organizer.
